## THE ELECTIONS

### A Complete Turn Over

Monday witnessed the keenest elections for town councillors and school trustees that has taken place in Ponoka for many a day. Candidates and their supporters were busy from early morning till the last vote was polled, with the result that practically every vote within reach was cast.

To say that the vote was a surprise is putting it mildly. There appeared to be a dead set against the business men, and that carried over, both in town and school affairs.

That old war horse, Ed Hinkley, went down for the school, and a mild man like A. Reid for the council. It was a peculiar result, and the fruit thereof will have to be waited for till the next season. The poll was as follows—

COUNCILLORS  
J. A. Marshall ..... 108  
H. E. Ponikvar ..... 102  
J. A. Hoffman ..... 94  
A. Reid ..... 87  
H. J. Ross ..... 87  
Geo. E. Bowler ..... 82

SCHOOL  
J. James ..... 143  
T. J. Durkin ..... 117  
Ed. Hinkley ..... 116  
F. R. Edwards ..... 85

What the new boards take office it is up to every citizen to make them well and trust that their deliberations and acts will redound to the good of the community, municipally as well as educationally.

### HIGH SCHOOL DEBATE

Camrose and Ponoka Meet

A splendid audience gathered in the Union Church Friday evening to hear the debate between Ponoka and Camrose high schools.

The subject for debate was—"Resolved, that the selection of material within any subjects that form the public and high school curriculum is well adapted to the educational needs of the day."

The affirmative was taken by Grant Stickle and Robert Hartman, of Camrose; the negative by Hattie Neilson and Jack Kelly, of Ponoka. Professor Wallace, of Edmonton University, was judge, and gave a short address, deciding that the affirmative had the best of the argument by two points. C. H. Cummings was chairman.

All things considered, our local boys did well, and the Herald congratulates them on the showing they made.

### CHRISTIANSEN GERTJE

At the Baptist Manse, on Saturday, December 11th, the wedding took place of Miss Mary Ida Gertje and Stanley Walter Christiansen, Rev. E. G. Turner officiating.

A Christmas tree entertainment, under the auspices of the Union Church Sunday School and Public School will be held in the Empress Theatre on Wednesday evening, the 22nd.

## Battery Storage

IF YOU LAY UP  
YOUR CAR  
The BATTERY  
should be removed  
and placed  
in Storage

A Battery will slowly discharge when standing idle.  
Serious injury will result if it is not kept charged, and it is not practical to do this by running the engine when the car is not in use.  
We are prepared to store a large number of batteries, either dry or wet.
